

ordering info for the

# DAILY FLIGHT LOG & TRIP RECORD

It's the original pocket-style log book specially designed for the "Frequent Flyer", the pilot or crew member who averages a greater number of flights per day. Each page has provisions for up to eight legs. Pages for schedules, expenses, phone numbers and notes are also provided. It's even possible to have a page *Custom Tailored* and dedicated to your company's needs, with quantity orders. Send a copy of your suggestions or a written request from your management.
